Southern States SYMPOSIUM & EXPO

presented by **FDLA**

JUNE 13 – 14, 2025

Signia by Hilton Orlando Bonnet Creek • Orlando, FL

The Southern States Symposium & Expo, presented by FDLA, is the largest dental laboratory industry meeting in the country run by a nonprofit association. Everything being offered at the Symposium will provide an exceptional educational experience.

TREASURE HUNT

Uncovering Hidden Opportunities

is the theme for the 2025 Southern States Symposium & Expo. Through continuing education, an excellent showcase of dental laboratory products and services, and great networking opportunities with others in the industry, this meeting will help you find and capitalize on hidden opportunities in business and personal growth, *much like a pirate's quest for treasure.*

Bring Your Client Dentists!

The Southern States Symposium & Expo courses are specifically designed for the entire dental team. These courses will help both the dentist, and the dental technician work together on the latest trends and techniques.

FRIDAY – JUNE 13

- 7:00 a.m. – 6:00 p.m. **Registration Desk Open**
Sponsored by: Alien Milling
- 7:30 a.m. – 8:00 a.m. **Morning Beverage Break**
Sponsored by: Fricke Dental Mfg.
- 8:00 a.m. – 8:30 a.m. **Welcome, Board Installation & President's Message**
- 8:00 a.m. – 12:30 p.m. **OPTIONAL HANDS-ON WORKSHOP**
The Use & Understanding of Different Ceramic Powders for Predictable & Natural Results
Presented by: Chucri Chemali, TPAD, DTG
Sponsored by: GC America, Inc.
(Pre-registration & additional fees required – Capacity 15)
- 8:30 a.m. – 9:30 a.m. **OPENING KEYNOTE ADDRESS**
The Crossroads of Craft and Technology: Navigating the Future of Dental Technology
Presented by: John Wilson
Sponsored by: Ivoclar
- 9:30 a.m. – 9:45 a.m. **Mid-Morning Beverage Break**
Sponsored by: Vulcan Custom Dental
- 9:45 a.m. – 11:45 a.m. **FRIDAY MORNING KEYNOTE**
Full Arch Fully Digital, a Practical Approach
Presented by: Ryan Lewis, DMD, MSD
- 11:45 a.m. – 12:15 p.m. **Awards Presentation & NADL / NBC / FDLT Updates**
- 12:30 p.m. – 1:15 p.m. **FDLA Luncheon**
Sponsored by: Argen Corporation
- 1:30 p.m. – 3:00 p.m. **HYBRID INTERACTIVE PANEL**
Interactive Collaboration for Solutions
Facilitated by: Rick Sonntag, RDT – 4Points Dental Designs
Alexander Wunsche, CDT – Zahntechnik, Inc., CDL
John Wilson, Sunrise Dental Laboratory
Sponsored by: FDLA
- 1:30 p.m. – 5:00 p.m. **OPTIONAL HANDS-ON WORKSHOP (continued)**
The Use & Understanding of Different Ceramic Powders for Predictable & Natural Results
Presented by: Chucri Chemali, TPAD, DTG
Sponsored by: GC America, Inc.
(Pre-registration & additional fees required – Capacity 15)

- 3:00 p.m. – 6:00 p.m. **Expo Hall Open**
- 3:00 p.m. – 6:00 p.m. **Expo Hall Kickoff Reception**
- 6:00 p.m. – 7:00 p.m. **Buccaneer Bash**

SATURDAY – JUNE 14

- 7:00 a.m. – 3:30 p.m. **Registration Desk Open**
- 7:30 a.m. – 8:00 a.m. **Morning Beverage Break**
Sponsored by: Cardinal Rotary Instruments
- 8:00 a.m. – 9:30 a.m. **A COURSES**
- 8:00 a.m. – 11:00 a.m. **OPTIONAL LECTURE/HANDS-ON DEMONSTRATION**
Seamless Digital Workflows: Mastering 3Shape All-on-X Design & Photogrammetry Integration
Presented by: John Wilson
(Pre-registration & additional fees required – Capacity 15)
- 9:30 a.m. – 10:30 a.m. **Expo Hall Break / Mid-Morning Beverage Break in Expo Hall**
- 9:30 a.m. – 3:00 p.m. **Expo Hall Open**
- 10:30 a.m. – 11:30 a.m. **B COURSES**
- 11:30 a.m. – 1:00 p.m. **Expo Hall Break / Lunch in Expo Hall**
- 1:00 p.m. – 2:00 p.m. **C COURSES**
- 1:00 p.m. – 4:00 p.m. **OPTIONAL LECTURE/HANDS-ON DEMONSTRATION #1**
Seamless Digital Workflows: Mastering Exocad All-on-X Design & Integration of Different Recording Methods
Presented by: Alexander Wunsche, CDT
Sponsored by: Argen Corporation
(Pre-registration & additional fees required – Capacity 15)
- OPTIONAL LECTURE/HANDS-ON DEMONSTRATION #2**
Basics of Ivotion Digital Denture Design with 3Shape Dental System
Presented by: Patrick Coon, CDT, TE
Sponsored by: Ivoclar
(Pre-registration & additional fees required – Capacity 15)
- 2:00 p.m. – 3:00 p.m. **Expo Hall Open / Afternoon Beverage Break in Expo Hall**
Sponsored by: GPS Digital RPD
- 3:00 p.m. – 4:00 p.m. **D COURSES**

OPENING KEYNOTE ADDRESS

The Crossroads of Craft and Technology: Navigating the Future of Dental Technology

Presented by: John Wilson, Founder, Sunrise Dental Laboratory

CDT/RG: 1 Hour of Professional Development Credit • State of Florida: 1 Hour of General Credit

The dental technology trade stands at a pivotal crossroads—where craftsmanship meets digital precision, and tradition collides with innovation. In this keynote, John Wilson brings over 40 years of experience exploring the challenges and opportunities facing today's dental laboratories.

With an emphasis on mentorship, cross-training, and sustaining passion in a rapidly evolving field, John will discuss the struggles of attracting and retaining skilled technicians, the pitfalls of chasing the latest technology without purpose, and the necessity of mastering fundamentals before embracing digital workflows. He will also address the hard realities of business sustainability, from pricing pressures to scaling operations while maintaining excellence.

This keynote isn't just about the future of dental technology—it's about the choices we make as leaders, mentors, and craftspeople to ensure the trade continues to thrive. Expect a candid, insightful, and empowering discussion that will challenge you to think differently about the direction of your lab, your team, and your impact on the industry.

FRIDAY MORNING KEYNOTE

Full Arch Fully Digital, a Practical Approach

Presented by: Ryan Lewis, DMD, MSD

CDT/RG: 2 Hours of Scientific Credit • State of Florida: 2 Hours of General Credit

Advancements in digital technology have improved efficiency in full arch digital workflows. Photogrammetry and more recently grammetry have proven to be accurate methods to work through fully digital workflows for full arch implant supported restorations. During this keynote presentation, Dr. Lewis will focus on workflows utilizing grammetry.

KEYNOTE SESSIONS – FRIDAY, JUNE 13

HYBRID INTERACTIVE PANEL

Interactive Collaboration for Solutions

Facilitated by: Rick Sonntag, RDT – 4Points Dental Designs
Alexander Wünsche, CDT – Zahntechnik, Inc., CDL
John Wilson – Sunrise Dental Laboratory

Sponsored by:

CDT/RG: 1.5 Hours of Scientific Credit • State of Florida: 1.5 Hours of General Credit

Sonntag

Wünsche

Wilson

Join Rick, Alexander, and John for an interactive discussion where you take the lead as an expert and collaborate with our speakers to find solutions for the challenges facing the laboratory and dental industry. Dive into a variety of topics affecting your lab and the broader dental field and share your insights to help solve today's techno-clinical issues. By working together, we can achieve better outcomes! Engage with the experts and be part of the conversation as we address key concerns and questions from the industry.

NEW THIS YEAR!

LEARNING LABS IN THE EXPO HALL

FDLA provides the opportunity to earn CE credits during the Expo Hall hours. Table clinics will take place in the Learning Lab area located in the back of the expo hall on both Friday, June 13 and Saturday, June 14 during Expo Hall hours. The following sponsor(s) will be presenting table clinics as of 3/14/25.

(Each participant will earn CDT/RG and State of Florida credits per course. Topics, speakers, and schedules for each table clinic will be listed in the Symposium onsite program and onsite signage.)

THANK YOU TO OUR 2025 SPONSORS & EXHIBITORS!

FDLA is a State of Florida Approved CE Provider

CDT/RG Credits

All Southern States Symposium & Expo courses have been approved by the National Board for Certification for CDT/RG Credits.

AGD Credits

Approved PACE Program Provider FAGD/MAGD Credit: Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement.

COURSE DESCRIPTIONS – SATURDAY, JUNE 14

8:00 A.M. – 9:30 A.M. COURSES

COURSE A1 – CERAMICS / CROWN & BRIDGE

CDT/RG: 1.5 Hours of Scientific Credit
State of Florida: 1.5 Hours of General Credit

From Single Crown to Full Arch - Material Update for Fixed Implant and Tooth Supported Restorations

Presented by: Alexander Wünsche, CDT

Sponsored by: Argen Corporation

The material carousel just spun again and we are seeing new materials hit the market. Most of them are very interesting since the materials are finally combining the aesthetic qualities with the physical strength we are looking for. This change can help keep inventory down and run a slimmer operation. Wünsche will share his experiences with the latest materials available in the industry. From the computer screen to the printer and/or mill, fabrication methods are extremely versatile in this time of dentistry. We often use a combination of both, but what material is best for what indication? Not all Zirconia is the same and has to be carefully chosen. The same rule stands for the different 3D resins available. Wünsche will take a deep dive into progressive materials since digital dentistry hit the industry and share his experiences, knowledge and connected workflows with the latest developments.

Objectives:

- Understand the different types of zirconia available
- Learn how and when to utilize which zirconia
- Understand the importance of building a good foundation in planning a case and utilize the ideal materials for it from resin to zirconia
- Learn how we still can combine aesthetic and strength

COURSE A2 – BUSINESS MANAGEMENT

CDT/RG: 1.5 Hours of Professional Development Credit
State of Florida: 1.5 Hours of General Credit

Building the Ideal Team

Presented by: Robert Gitman

Sponsored by: NDX Thayer

Team cohesion and performance are based on trust. As a lab owner or manager, how do you instill trust in your employees? How do you engage your team to bring out their best – and share that knowledge with their peers? How will your team face the challenges in this rapidly changing business environment? However you define success, it will hinge on building a team of ideal team players.

COURSE A3 – REMOVABLES

CDT/RG: 1.5 Hours of Scientific Credit
State of Florida: 1.5 Hours of General Credit

Ivotion Digital Denture Design with 3Shape Dental System

Presented by: Patrick Coon, CDT, TE

Sponsored by: Ivoclar

This lecture will provide an in-depth understanding of Ivotion Digital Denture design using the 3Shape Dental System. Participants will learn about the materials used in digital denture

design, the clinical workflows involved, and the step-by-step process of designing digital dentures.

The course will cover the following topics:

- Overview of Ivotion Digital Denture
- Materials used in digital denture design
- Clinical workflows involved in digital denture design
- Step-by-step process of designing digital dentures in 3Shape Dental System
- Avoiding common issues in digital denture design

Participants will gain insights on using the 3Shape Dental System to design digital dentures. They will also have the opportunity to ask questions and receive personalized feedback from the instructor.

Upon completion of this course, participants will have gained the knowledge and skills necessary to design high-quality digital dentures using the Ivotion Digital Denture System and 3Shape Design Studio.

10:30 A.M. – 11:30 A.M. COURSES

COURSE B1 – REMOVABLES

CDT/RG: 1 Hour of Scientific Credit
State of Florida: 1 Hour of General Credit

Removable Prosthetics: 3 Decades of Techniques and Tips - A Continuation

Presented by: Thomas Zaleske, AS

Sponsored by: FDLA

A presentation constructed from over 30 years at the bench, attracting and working with fee for service clients, Zaleske will illustrate and explain what has allowed his lab to attract and maintain accounts. With the form of fabrication aside, a sound understanding of communication, design, finishing, and servicing of removable prosthetics are still required to maintain a consistent product and, in many cases, elevate prosthetic delivery.

Topics include but not limited to:

- Finishing products and techniques used in the fabrication of partial and full dentures.
- Simplified tooth arrangement tips.
- Base colorization both internally and externally.
- Acrylic colorization techniques.
- Smile design, let photos be your guide.
- Considerations in base design.

COURSE B2 – BUSINESS MANAGEMENT

CDT/RG: 1 Hour of Professional Development Credit
State of Florida: 1 Hour of General Credit

Financial & Risk Management in the Digital Age

Presented by: Travis Zick

Sponsored by: FDLA

In this course, Zick will review the income statement of the contemporary dental laboratory, identify Key Performance Indicators (KPI's) within each section and discuss benchmarks for each. He will also discuss KPI's in other areas of the lab, including Sales & Marketing, Production and Cash Management. Finally, Zick will discuss some of the unique business risks faced by laboratories in today's environment and ways to mitigate those risks as much as possible.

COURSE DESCRIPTIONS – SATURDAY, JUNE 14

COURSE B3 – CERAMICS

CDT/RG: 1 Hour of Scientific Credit

State of Florida: 1 Hour of General Credit

New Fundamentals of Rapid Sintering for All Cases

Presented by: Rich Green

Sponsored by: B&D Dental Technologies

Drop the shackles binding you to old ideas. Rich Green covers recent advances using one-hour sintering to create beautiful crowns so you can gain more time outside the lab.

- The importance of zirconia particle size related to rapid sintering.
- Particle size determines if you can rapid sinter zirconia with beautiful results.
- Strength considerations of rapid sintering – assurance to audience that it works with a material that has small particle size.
- Is special equipment required to achieve rapid sintering? Not necessarily, you can speed your production with your current equipment.
- How rapid sintering can make your life better.
- Ensuring the audience understands that rapid sintering works and can change your workflow for the better.

1:00 P.M. – 2:00 P.M. COURSES

COURSE C1 – FLORIDA LAWS & RULES / PROFESSIONAL DEVELOPMENT

CDT/RG: 1 Hour of Professional Development Credit

State of Florida: 1 Hour of Laws & Rules Credit

Florida Laws & Rules

Presented by: Gary Morgan, CDT

Sponsored by: FDLA

This presentation will provide a review of the regulations governing the operation of dental laboratories in the state of Florida. Requirements for facility registration, continuing education, and inspection will be discussed, as well as required disclosure of materials and point of origin. Rules for chairside services will also be reviewed.

COURSE C2 - IMPLANTS

CDT/RG: 1 Hour of Scientific Credit

State of Florida: 1 Hour of General Credit

Precision in Digital Bar Substructures: Mastering I-Bar Design in Blender For Dental

Presented by: John Wilson

Sponsored by: Alien Milling

Join industry expert John Wilson for a hands-on design lecture exploring the power of Blender For Dental. This course will focus on leveraging the I-Bar design module to enhance precision and predictability in split-file workflows. Attendees will learn how to effectively control design patterns to optimize durability, esthetics, and ease of fabrication. Whether you're new to Blender For Dental or looking to refine your approach, this presentation will provide valuable insights and practical techniques to elevate your digital design skills.

COURSE C3 – CERAMICS

CDT/RG: 1 Hour of Scientific Credit

State of Florida: 1 Hour of General Credit

Simple Yet Effective: Anterior Fabrication Strategy 2025

Presented by: Sean Park, MDC, CDT

Sponsored by: Kuraray America, Inc.

This lecture delves into innovative approaches for optimizing the efficient fabrication of anterior restorations. As dentistry undergoes a transformative shift, there is a growing focus on simplifying layering techniques to achieve enhanced esthetic outcomes. Attendees will explore strategies and methodologies that balance efficiency with exceptional results. The session will provide a comprehensive understanding of the latest advancements in materials and techniques, empowering participants to seamlessly integrate these innovations into their daily practice for consistently outstanding esthetic achievements.

3:00 P.M. – 4:00 P.M. COURSES

COURSE D1 – REGULATORY STANDARDS / PREVENTION OF MEDICAL ERRORS

CDT/RG: 1 Hour of Regulatory Credit

State of Florida: 1 Hour of Prevention of Medical Errors Credit

Training for Compliance

Presented by: Gary Morgan, CDT

Sponsored by: Safelink Consulting

Compliance training is required by law, regulation, or policy to educate employees on the laws and regulations that apply to their job or industry. It's important for preventing risks, promoting ethical work, and helping employees understand company policies. This presentation will focus on the requirements for training from OSHA, FDA, and other federal and state regulatory agencies.

COURSE D2 – DIGITAL WORKFLOW

CDT/RG: 1 Hour of Scientific Credit

State of Florida: 1 Hour of General Credit

An Unexpected Journey: The Evolution of 3D Printing and Digital Dentures...and What's Around the Corner

Presented by: John Madden, Master CDT

Sponsored by: Zahn Dental

Join John Madden, Master CDT, as he shares his experiences along the path of digital denture and 3D printing development and explains what to expect for the future of this fast-evolving space. Learn about the latest and greatest materials and methods that will continue to catapult digital dentures to be the best practice for dentistry.

Learning Objectives

- A brief historical review of digital denture materials and methods
- A summary of the physical properties required for digital denture materials
- A sneak peek at the top new digital denture materials
- The specifics of denture printing and assembly
- Common try-in methods for all digital dentures
- An overview of a successful digital denture case

OPTIONAL HANDS-ON WORKSHOP – FRIDAY, JUNE 13

The Use & Understanding of Different Ceramic Powders for Predictable & Natural Results

Presented by: Chucri Chemali, TPAD, DTG

CDT/RG: 8 Hours of Scientific Credit
State of Florida: 8 Hours of General Credit

Sponsored by:

Hands-On Workshop Schedule:

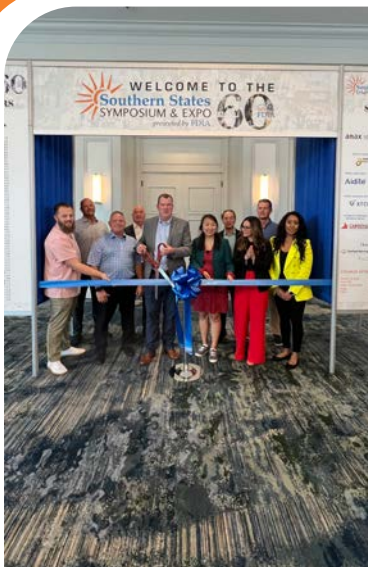

- 8:00 a.m. – 12:30 p.m. Hands-On Workshop
- 12:30 p.m. – 1:15 p.m. Lunch (included in registration fee)
- 1:30 p.m. – 5:00 p.m. Hands-On Workshop

In this workshop, participants will work on one anterior and one posterior restoration. The goal of this workshop is to help the participants learn new ways to adjust their personal strategies in their daily work, so they can be more efficient. Thus, achieving predictable results, natural looking ceramic restorations and not jeopardizing their quality standards.

Course Level: Information shared throughout the day is for beginners and experienced dental ceramists.

Participants will need to bring ceramic layering and grinding tools as well as brushes, porcelain trays, handpieces and their own loops. Models and copings will be provided.

(Note: Pre-registration and additional fees required – Capacity 15. Participants must pre-register by 5/22/25.) Registration Includes: Friday Registration for Hands-On Workshop, Friday Lunch, admission to Expo on Friday and Saturday)

Seamless Digital Workflows: Mastering 3Shape All-on-X Design & Photogrammetry Integration

Presented by: John Wilson

CDT/RG: 4 Hours of Scientific Credit
State of Florida: 4 Hours of General Credit

Workshop Schedule:

8:00 A.M. – 11:00 A.M.

Step into the future of digital dentistry with John Wilson as he takes you through a dynamic, follow-along live design session in 3Shape's All-on-X design software. This interactive course will connect the dots between advanced CAD design and photogrammetry, showcasing how to achieve precision, efficiency,

and seamless integration in your digital workflow. Whether you're new to 3Shape or looking to refine your techniques, this session will provide hands-on insights to enhance your design accuracy and optimize your digital full-arch prosthetic outcomes.

Participants will not need to bring any items for the course.

(Note: Pre-registration and additional fees required – Capacity 15. Participants must pre-register by 5/22/25.) Registration Includes: Saturday Registration for Hands-On Workshop, Choice of C & D Courses (including Regulatory Standards Course), Saturday lunch, admission to Expo on Saturday)

Seamless Digital Workflows: Mastering Exocad All-on-X Design & Integration of Different Recording Methods

Presented by: Alexander Wünsche, CDT

CDT/RG: 4 Hours of Scientific Credit
State of Florida: 4 Hours of General Credit

Lecture & Hands-On Demonstration Schedule:

1:00 P.M. – 4:00 P.M.

Exocad delivers a large variety of different workflows for full arch or All-On-X designs. Wünsche will showcase the All-On-X design world with Exocad.

With the incorporation of different record taking methods like photogrammetry or grammetry, the fabrication of these full arch

restorations are going to be very predictable in accurate fit. This course will show how to implement these progressive recordings and integrate them in design and fabrication of All-On-X restorations.

Participants will not need to bring any items for the course.

Sponsored by:

Basics of Ivotion Digital Denture Design with 3Shape Dental System

Presented by: Patrick Coon, CDT, TE

CDT/RG: 4 Hours of Scientific Credit
State of Florida: 4 Hours of General Credit

Lecture & Hands-On Demonstration Schedule:

1:00 P.M. – 4:00 P.M.

This course will provide an in-depth understanding of Ivotion Digital Denture design using the 3Shape Dental System. Participants will learn and be able to ask questions about Ivotion Digital Denture Design as well as get questions answered about difficulties they may have experienced using the system.

The course will cover the following topics: Step-by-step process of designing digital dentures in 3Shape Dental System; Avoiding common

issues in digital denture design; and Troubleshooting design difficulties. Upon completion of this course, participants will have gained the knowledge and skills necessary to design high-quality digital dentures using the Ivotion Digital Denture System and 3Shape Dental System.

Participants will not need to bring any items for the course.

HOTEL INFORMATION

Signia by Hilton Orlando Bonnet Creek

14100 Bonnet Creek Resort Lane
Orlando, FL 32821
407.597.3600

Signia by Hilton is a new hotel brand offering a premium experience like no other in iconic cities and sought-after resort destinations across the globe. The Signia Orlando Bonnet Creek is surrounded by Walt Disney World® Resort and adjacent to the Waldorf Astoria Orlando. With 12 restaurants and lounges on property, from casual bites to fine signature dining, enjoy some authentic flavors of Florida! World-class shopping, arts and entertainment venues, and the best of Orlando's exhilarating attractions are all within a short drive of the hotel.

Make your hotel reservations directly with the Signia Bonnet Creek by calling **407.597.3600** or by reserving online at <https://book.passkey.com/go/HFDLA>. The FDLA has secured a special reduced rate of \$185 plus \$10 resort fee plus taxes per night. Included in the FDLA rate is reduced self-parking fees. Be sure to mention you are with FDLA and make your reservations by **Thursday, May 22, 2025**, to receive this special reduced rate. The association can only reserve a certain number of rooms at the discounted rate. Once the

room block is sold out, even if that day is prior to the cutoff date, a higher prevailing room rate will apply. Make your reservations today!

Great Benefits of Staying at the FDLA Host Hotel:

- Special reduced rate of \$185 for FDLA!
- The expo hall is minutes away from your hotel room.
- Increased networking time with attendees in the hotel's restaurants and lounge areas!
- Endless dining options, lazy river, spa, fitness center, golf, and activities all at the resort.

IMPORTANT – PLEASE BE AWARE OF HOTEL RESERVATION SCAMS!

In the past, several companies have contacted our attendees offering a reduced rate at the Signia by Hilton Orlando Bonnet Creek. The FDLA does not provide any attendee information to the hotel or work with any housing company for any events. Make your hotel reservations directly with the Signia Bonnet Creek by calling 407.597.3600 or Reserve Online. Please do not give your credit card information by email or phone!

*Please continue your support of the
FDLA Southern States Symposium & Expo by staying at the
Signia by Hilton Orlando Bonnet Creek, the appointed FDLA host hotel.*

Options to Register:

1. ONLINE: Go to www.fdma.net, click on the Symposium tab, then Register Online. Master Card, Visa, Discover, or AMEX payment will be required.

2. EMAIL: Completed registration form with credit card information to: meetings@fdma.net

3. FAX: Completed registration form with credit card information to: **850.222.3019**

4. MAIL: Registration Form, **Postmarked by May 22, 2025** to:
2023 Southern States Symposium & Expo (FDLA)
325 John Knox Rd, Ste L103
Tallahassee, Florida 32303

ADA / DIETARY RESTRICTIONS:

If you have special needs that require accommodations, please notify FDMA in writing no later than May 22, 2025. If you have special dietary restrictions, please notify FDMA no later than May 22, 2025.

AGE RESTRICTIONS & STROLLER POLICY:

No children in strollers or children under the age of 15 will be allowed access into the exhibit hall during booth setup, show hours or during booth dismantling.

HEALTH & SAFETY REQUIREMENTS:

For the health and safety of all FDMA Symposium & Expo attendees, FDMA is complying with applicable health and safety requirements and CDC recommendations to hold the in-person event. We will need the assistance of all attendees to accomplish this as effectively as possible. By registering for the FDMA Symposium & Expo, you agree for your safety and the safety of all attendees, you will not attend the Symposium if you have any symptoms of any illness or have had recent exposure to COVID-19. You will agree to engage in responsible health and safety conduct consistent with CDC recommendations both prior to and while attending the FDMA Symposium & Expo. You will also agree to comply with all COVID-related procedures implemented by FDMA and the Signia Hilton Orlando Bonnet Creek including procedures related to mask-wearing and social distancing, refraining from activities that carry higher COVID-related risk, or otherwise.

WHAT IS SUIT CASING? / FDMA'S SUIT CASING POLICY

Suit casing is the act of soliciting business by non-exhibiting companies in the aisles during the exhibition, including another company's booth or in other hotel public spaces.

Please note that while all meeting attendees are invited to the exhibit floor, any non-exhibiting company attending the Expo who has not secured an exhibit booth and is observed to be soliciting business in the aisles, in another company's booth or other hotel public spaces will be requested to leave the Expo immediately.

SOUTHERN STATES SYMPOSIUM & EXPO DRESS CODE:

The dress code for the 2025 Southern States Symposium & Expo daytime workshops and courses is business casual (no t-shirts, tank tops or flip flops please).

REFUND POLICY:

Written notification is required for all refunds. Refund requests received by **May 22, 2025** will receive a refund less a \$25 administrative fee. No refunds will be paid after **May 22, 2025**.

For more information, contact FDMA's Southern States Symposium office by phone at 850.224.0711 or meetings@fdma.net.
